Company Introduction /

Sahra Petroleum International Limited "SPIL" provides a wide range of high-quality services to Oil, Gas, Energy and Mining companies.

Foundation & History

SPIL is a part of Sahra Group, a collection of companies providing complementary services to Oil, Gas, Energy, Mining Companies and other related industries.

Sahra Group was founded by Rashid Alkaff in Sana'a, the Republic of Yemen in 2006. It began as a small group of professionals providing legal, technical, and financial consultancy and advisory services to the petroleum, minerals, and power industries, and expanded rapidly to reach where it is now, offering wide range of services and products in various countries.

Values

On top of our mission, is to provide to our clients the highest calibre of services at all times.

Professionalism - Integrity - Reliability

Management Team

SPIL is led by a team of highly educated, qualified and experienced managers and executives. The expertise of this team and its international advisors and consultants spans the fields of geology, geophysics, petroleum, engineering, business administration, business management, law and finance, with particular in-depth knowledge of applications within the oil, gas, energy and mining industries.

Dedicated to our Mission

We are dedicated to our vision of being the leading integrated service providing quality services in oil & gas, energy, minerals, and a wide range of related industries.

Management Team

RASHID ALKAFF

Spearheaded by its Chairman, Mr. Rashid Al-Kaff, who possesses a wealth of experience garnered from more than 40 years experience in the Oil and Gas industry, and has a wide range of top-level contacts worldwide, particularly in the Middle East and North Africa. He was Minister of Oil and Minerals of the Ministry of Oil and Minerals of Yemen, CEO of Nimir Petroleum, and Chairman and Founder of Yemen Company For Investment in Oil and Minerals. He has worked as an independent international Oil and Gas consultant advising governments and private industries.

Rashid holds a BSC in Geology from the American University of Beirut and a Postgraduate Degree in Exploration Economics from the University of Mining and Metallurgy in Austria.

JAMAL ALKAF

Jamal Alkaf is the Managing Director of SPIL, with particular responsibility for the Legal division of the company. During his many years working in the oil and gas industry, he was legal advisor to the National Oil Company and the Ministry of Oil and Minerals of Yemen, where he helped draft and negotiate the production sharing agreements for Yemen's Third International Bid Round. He was also part of various committees at high levels of government on issues concerning oil and gas. Jamal is a member of the Chartered Institute of Arbitrators, among other institutions and professional societies.

Jamal Alkaf holds a degree in International Business Administration from the American Intercontinental University of London, a BA (Honours) in Business Law from Kingston University in London and LLM with distinction in Oil and Gas Law from Robert Gordon University, Aberdeen.
